## Mass Updates

**\*\*Masks are only required if you have NOT been vaccinated.**

**\*\*We no longer have to sign in.**

**\*\*We can sing the church songs again.**

**Please be respectful of others space.  
While life is going back to "normal", Covid has not gone away.**

**FANS**—the fans will be turned on soon due to the increasing temperature. Please do not turn off fans as that is our only way to circulate the air. If the breeze from a fan is hitting you, please try to slide over in your pew. It is easy to get overheated when it is so hot in church.

## THANK YOU

St. Mary's Cemetery Committee would like to thank everyone who donated. These funds are greatly needed and appreciated and will help to maintain the cemetery.

## Restoration Updates:

We are currently doing some tuck-pointing on the rectory which was badly needed. We will soon be adding some storm windows around the outside dome windows to protect them from leaking and replacing some broken storm windows.

## Annual Founders' Day Cancelled

The Founders' Day Committee has decided to cancel Founders' Day for this year. Usually by this point, we have many things already booked and planned. We know many people look forward to this day and we are already looking into Founders' Day of 2022. We apologize, but we feel it is for the best for this year. Please be thinking ahead to raffle prizes for 2022, as we will be in great need of them.

## Martinton Community Food Pantry

The food pantry serves all of Iroquois County. They are in need of our help.

**Please continue to bring in food donations.** They are also looking for monetary donations, volunteers to help unload the trucks, and working on distribution days. If you are able to help, please call Connie Stirling at 815-867-6480.
